CriticalTalentMatch™ Analysis | Project Engineer/Owner's Representative

COMPETENCY AREA	RATING	ASSESSMENT
Project Planning & Management	OUTSTANDING (11)	Managed technical projects from planning through closeout in both military and civilian sectors. Skilled in submittals, RFIs, safety reporting, and schedule tracking. Successfully led lithium battery conversion project ahead of schedule and 24.7% under budget.
CSA + MEP Construction Coordination	STRONG (9)	Provided CSA/MEP coordination support via OFCI equipment logistics, installation sequencing, and vendor coordination.
Commissioning Support & Turnover	STRONG (9)	Experience with operational readiness and preventative maintenance program turnover. Familiar with commissioning concepts from electrical system deployment.
Financial Management & Forecasting	EXCELLENT (10)	Managed budgets, forecasts, and cost control measures for technical service and military operations. Developed project dashboards for visibility and waste reduction.
Stakeholder Communication & Client Interface	OUTSTANDING (11)	Strong cross-functional and client communication from service management and military leadership. Bilingual team training and cross-department alignment experience.
Risk Management & Safety Oversight	EXCELLENT (10)	Led safety training for Navy aviation units; developed safety programs in civilian technical service. Experienced in live-environment work and OSHA-aligned practices.
Vendor & Contractor Management	EXCELLENT (10)	Coordinated with multiple vendors for OFCI-style deliveries, installation sequencing, and maintenance program execution.
Technical Drawing & Specification Review	STRONG (9)	Experienced with technical documentation, schematics, and electrical diagrams for military and industrial systems.
Software & Project Tools Proficiency	STRONG (9)	Proficient in MS Project, MS Office, and asset management platforms.
Live Data Center Environment	MODERATE (8)	Strong live operational experience in mission-critical environments (Navy aviation), some crossover with electrical facility upgrades.
Certifications & Training	STRONG (9)	Certified Scrum Master, Lean Six Sigma Green Belt, Kaizen, PDCA model training.

CriticalTalentMatch™ Summary

CriticalTalentMatch™ Score: 105

CriticalTalentMatch™ Rating: ★★★★★ (5 out of 5 Stars)

CriticalTalentMatch™ Grade: 87 (100-Point Scale)

Qualifying Criteria Reference:

QUALIFYING CRITERIA	SCORE	DESCRIPTION
Outstanding	11	Exceeds Critical Requirements — Demonstrated mastery and leadership in complex contexts AND has the Majority of Preferred and Beneficial Capabilities
Excellent	10	Meets Critical Requirements — Fully capable with consistent high performance AND has Several of the Preferred and Beneficial Capabilities
Strong	9	Meets Most Critical Requirements — Competent with occasional gaps or developing areas AND/OR Several of the Preferred and Beneficial Capabilities
Moderate	8	Meets Some Critical Requirements — Demonstrated exposure but not full ownership AND/OR has Several of the Preferred and Beneficial Capabilities
Basic	5	Limited Critical Requirements Experience — Familiar with concepts or tools but lacks direct application AND/OR has Direct Experience with Preferred and Beneficial Capabilities in Similar Systems or Job Functions

STRENGTHS

- Proven leadership in high-stakes military and civilian technical project environments
- Strong OFCI equipment logistics and installation sequencing expertise
- Documented cost savings and efficiency improvements in project execution
- Certified Scrum Master and Lean Six Sigma Green Belt with process optimization experience
- Exceptional stakeholder communication and team leadership skills
